

### **Villas III HOA Members:**

The association board of directors invites members to assemble for the purpose of taking a group photograph. A drone shot of Cordgrass Way owners would be used on the Villas III website to illustrate the sense of community the association enjoys. The digital file of the image would be distributed to all.

This photo will be the third in the 22 year history of Villas III HOA at the Cedar Hammock Golf and Country Club.

### **Schedule**

**Date: Saturday, February 28 - 2026**

**Time: 8:00 AM**

**Place: Cordgrass Way Cul-de-Sac**

**Rain Date: Saturday, March 14 - 2026**

Saturday mornings offer up the most conflict-free scheduling as it relates to club activities. The affair won't take more than 20 minutes and all will have the remainder of the day free. The dates have been selected to avoid conflict with events appearing on the 2026 CH Club calendar.

The Villas III BOD encourages all to attend with their biggest smiles to showcase our HOA's spirit. We would like to achieve 100% participation of all owners in residence.

If you please, you can notify your intention to be present by sending Bob Baribeau and email at: [rbaribe@msn.com](mailto:rbaribe@msn.com)

Sincerely,

Villas III HOD  
Board of Directors
